PROGRAMMA SOSTENIBILITÀ
Anche Cerotti vuole fare la sua parte nel contribuire ad adottare uno stile di vita SOSTENIBILE più "green", senza rinunciare alla qualità che ci contraddistingue e senza pesare sui conti dei nostri clienti.

IL PROTOTIPO E LO STAMPO
Creiamo, testiamo, modifichiamo, collaudiamo; prima di entrare a far parte del normale processo produttivo, realizziamo dei prototipi funzionanti che ci permettono di valutare il prodotto nell'uso che ne forci quotidianamente.

Disegniamo e realizziamo internamente gli stampi dei nostri prodotti, per poter dare il carattere distintivo che li rendono unici e per poter intervenire in tutte le fasi della loro "vita" migliorandone le caratteristiche o adattandoli alle tue esigenze.

THE PROTOTYPE AND THE MOLD

We create, try, modify, test, before becoming part of the normal production process, we make working prototypes that allow us to evaluate the product in the use you make of it every day.

We design and manufacture the molds of our products in-house, in order to give them the distinctive character that make them unique and to be able to intervene in all phases of their "life" by improving their characteristics or adapting them to your needs.

IL PROGETTO E LA BOZZA
Grazie al know-how acquisito in oltre 40 anni di esperienza, alla costante ricerca di soluzioni tecniche innovative ed ai più avanzati strumenti tecnologici trasformiamo un'idea in un prodotto, ingegnerizzato ed industrializzato per offrire standard qualitativi e prestazionali di altissimo livello.

Matita e foglio sono gli strumenti nei quali nascono tutti i prodotti Ceriotti, nei quali coniughiamo le più attuali tendenze stilistiche con le pratiche di utilizzo nel tuo salone.

THE PROJECT AND THE DRAFT

Thanks to the know-how acquired in over 40 years of experience, to the constant research for innovative technical solutions and to the most advanced technological tools, we transform an idea into a product, engineered and industrialized to offer the highest quality and performance standards.

Pencil and sheet are the tools from which all Ceriotti's products are born, products where we combine the latest stylistic trends with the practical needs of use in your salon.

L'ASSEMBLAGGIO E L'IMBALLAGGIO
È la componente "artigianale" a far sì che ogni prodotto Ceriotti sia "unico", perché assemblato a mano con cura, passione e professionalità; l'esperienza e l'attenuta pianificazione dei processi di produzione ed assemblaggio ci permettono così di rispondere con rapidità e flessibilità alle tue richieste.

Selezioniamo la forma, la dimensione ed il materiale dei nostri imballi per proteggere la bellezza e l'integrità dei prodotti in tutto il percorso che li porterà fino al tuo salone.

ASSEMBLY AND THE PACKAGING

It is the "artisanal" touch that ensures that each Ceriotti's product is "unique", because it is assembled by hand with care, passion and professionalism; the experience and the careful planning of production and assembly processes allow us to respond quickly and flexibly to your requests.

We select the shape, size and material of our packaging to protect the beauty and integrity of the products throughout the journey that will take them to your salon.

Il MATERIALE
Scegliamo accuratamente il processo produttivo ed il materiale da impiegare per la realizzazione di ciascun prodotto, utilizziamo curvati di legno di altissima qualità e resistenza schiumate poliuretaniche ad elevata densità e bassa deformabilità, materie plastiche di prima scelta, alluminio ad elevata purezza lavorato con stampi in pressofusione o in conchiglia.

THE MATERIAL
We carefully choose the production process and the material to be used for creating each product; we use high quality and high resistance wood frames, high density and low deformability polyurethane foams, first choice plastics, high purity aluminum worked with die-cast or shell molds, always seeking the right balance between aesthetics, practicality, durability and "value for money".

Cerotti®
MADE IN ITALY

Alta Sartoria italiana

I primi in Italia nelle lavorazioni di alta sartoria
nel settore dell'arredo per parrucchieri.

“Il solo uomo davvero dorato di sensibilità che conosco è il mio sarto: mi prende le misure tutte le volte che mi vede. Gli altri mantengono le vecchie misure e si aspettano che io mi ci adatti.”

“The only man I know who behaves sensibly is my tailor; he takes my measurements anew each time he sees me. The rest go on with their old measurements and expect me to fit them.”

George Bernard Shaw

Da quasi mezzo secolo, noi di Cerotti creiamo soluzioni di arredamento uniche, cucite con cura sartoriale intorno alle esigenze degli acconciatori. Per celebrare la cultura dello stile italiano, abbiamo disegnato la collezione “Alta Sartoria Italiana”, creata per esaltare la cura e la passione che mettiamo ogni giorno nella realizzazione dei nostri prodotti e con la quale vogliamo offrirvi - ancora una volta - la più ampia scelta di soluzioni per personalizzare il tuo salone. Tutto questo, con la garanzia della qualità 100% Made in Italy che da sempre contraddistingue Cerotti.

For almost half a century, we of Cerotti have been creating unique furnishing solutions, tailored with sartorial care around the needs of the hairstylists. To celebrate the culture of Italian style, we designed the “Alta Sartoria Italiana” collection, created to enhance the care and passion we put every day into creating our products and with which we want to offer you - once again - the widest choice of solutions to personalize your salon. All of this, with the guarantee of 100% Made in Italy quality that has always distinguished Cerotti.

Depuis presque un demi-siècle, dans Cerotti nous créons des solutions d'aménagement uniques, réalisées avec le soin d'un tailleur autour des besoins des coiffeurs. Pour célébrer la culture du style italien, nous avons conçu la collection “Alta Sartoria Italiana”, créée pour exalter le soin et la passion que nous consacrons chaque jour à la création de nos produits, et avec laquelle nous souhaitons offrir - encore une fois - le plus vaste choix de solutions pour personnaliser votre salon. Tout cela, avec la garantie d'une qualité 100% Made in Italy qui a toujours distingué Cerotti.

Seit fast einem halben Jahrhundert entwickelt Cerotti einzigartige Einrichtungslösungen, die auf die Bedürfnisse von Friseuren zugeschnitten sind. Um die Kultur des italienischen Stils zu feiern, wir haben die Kollektion “Alta Sartoria Italiana” entworfen, die geschaffen wurde, um die Sorgfalt und Leidenschaft, die wir jeden Tag in die Gestaltung unserer Produkte stecken, zu verbessern, und mit denen - noch einmal - wir bieten Ihnen die größte Wahl an Lösungen zur Personalisierung Ihres Salons. Dies alles mit der Garantie von 100% Made in Italy-Qualität, die Cerotti seit jeher auszeichnet.

Durante casi medio siglo, en Cerotti creamos soluciones de mobiliario únicas, diseñadas con cuidado sartorial alrededor de las necesidades de los estilistas. Para celebrar la cultura del estilo italiano, hemos diseñado la colección “Alta Sartoria Italiana”, creada para exaltar el cuidado y la pasión que ponemos cada día en la creación de nuestros productos, y con la que queremos ofrecerte - una vez más - la más amplia variedad de soluciones para personalizar tu salón. Todo esto, con la garantía de calidad 100% Made in Italy que siempre ha distinguido a Cerotti.
